Serial No.: 08/893,371

Filed: June 6, 1995

CORRECTION OF REDECLARATION NOTICE

The "REDECLARATION" notice (paper No. 16 in this application patent file) is based on the September 30, 2003, "REDECLARATION AND JUDGMENT" in Interference No. 104,154. That paper has been modified in the following respects in the "DECISION ON REQUEST FOR RECONSIDERATION; CORRECTION OF 'REDECLARATION AND JUDGMENT'" :

(1) The claims designated as corresponding to Count 1 now additionally include Claims 105-111 of Schneider's involved Application 08/893,371, claims which the Administrative Patent Judge did not hold to be unpatentable in his "DECISION ON MOTIONS; ORDER TO SHOW CAUSE."

(2) Judgment has not been entered against Claims 105-111 of Schneider's involved Application 08/893,371 on any ground. The statement in the "REDECLARATION AND JUDGMENT" to the effect that no party is entitled to a patent containing any of its claims

which correspond to Count 1 has been replaced by the following paragraph:

"Accordingly, the party Klaveness is not entitled to a patent containing any of its claims that correspond to Count 1, i.e., Claims 3-8, 17, 19, 20, 29-32, and 38 of Klaveness Patent 5,536,490, Claims 3-10, 19, 20, 23, 24, 33-37, and 44 of Klaveness Patent 5,567,413, and Claims 50 and 55 of Klaveness Reissue Application 09/227,410. The party Schneider is entitled to a patent containing Claims 105-111 of Application 08/893,371, which correspond to Count 1, but not to a patent containing Claims 57-75 and 80 of that application, which also correspond to Count 1."
